ProjectName	Inventory Management SystemforRetailers

1.Register page

The screenshot shows a web application interface for creating an account. At the top, there is a logo consisting of a cube icon followed by the word "Inventory". Below the logo, the heading "Create an Account" is displayed in a blue font. Underneath the heading, a subtitle reads "Enter your personal details to create account". The form contains three input fields: "Name" with a placeholder "Enter your name", "Your Email" with a placeholder "Enter your email", and "Password" with a placeholder "Enter your password". A dark blue button labeled "Create Account" is positioned below the password field. At the bottom of the form, there is a link that says "Already have an account? [Log In](#)".

2.Login page

The screenshot shows a web browser window with a dark blue background. At the top center, there is a logo consisting of a small cube icon followed by the word "Inventory" in white. Below the logo, centered on the page, is a white rectangular login form. The form has the title "Login to Your Account" in a dark blue font. It contains two input fields: "Username" with the placeholder text "Enter your username" and "Password" with the placeholder text "Enter your password". Below the password field is a checkbox labeled "Remember me". At the bottom of the form is a dark blue button with the text "Login" in white. Below the button, there is a link that says "Don't have account? [Create an account](#)". On the left side of the browser window, a mouse cursor is visible near a small white box containing the text "balail".
